Payment Options:

- Cash, Check, Visa or Mastercard, Discover Card

For patients without Dental Insurance, we offer a 5% courtesy accounting adjustment when fees are paid in advance by check or cash (2% for credit card). This courtesy accounting adjustment is available on treatment plans of \$500 or more.

- Convenient Monthly Payment Plans¹ from CareCredit

- o Allow you to pay over time
- o No annual fees or pre-payment penalties
- o Our office can submit an application for you

Please note:

Our office kindly asks for payment the day of service (including insurance co-pays and deductibles). Payment plans may be available for certain cases and circumstances.

If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case. In addition, no further treatment, other than emergency, will be started.

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.

Our office charges up to \$50 for returned checks.

If you have any questions, please do not hesitate to ask.
